

LIAISON 3-5

14 June 1963

MEMORANDUM FOR: Chief, Planning and Review Staff, ERA  
SUBJECT: GEA Comments on OSI Draft Work Program  
-- Fiscal Year 1964

The inclusion of geophysics in the work program of the Physical Sciences Branch (p. GSD 1, 2, and 3) as well as in the Astro-Geophysics Branch (p. GSD 26 and 30) is not clear, particularly since PSB shows no current work projects and only a few are listed by AGB. It is difficult to ascertain how the division or overlap of responsibility and coverage is to be effected.
